# Baum Single Spindle Drills

The Baum 1NT Single Spindle Tabletop and Baum 1F Single Spindle Floor Model paper drills can be used for a wide variety of drilling applications for commercial, in-plant, small printers, financial institutions, schools, offices and much more. Features include:

- Automatic chip disposal. The chips of paper cut out by the hollow drill travel up through the drill and drop onto a removable waste bin inside the machine.
- Drill a two-inch lift in one stroke. 1/4" to 1/2" drills have two-inch capacity. Smaller diameter drills will do lifts from 5/8" to 1-5/8" depending on the size.
- Uses Baum ND drill bits.
